

THE CLIMATE TRIAL

In December 2008, **Tim DeChristopher** disrupted an illegal BLM auction to stop the sale of pristine Utah acreage as oil and gas leases.

The judge has **disallowed** DeChristopher from presenting in court, that *stewardship of a livable future* is the primary motivation for his action.

"The place for that kind of defense is not a courtroom," the prosecution proclaimed, "but in the public square."

Join us for **the people's trial** of Tim DeChristopher. This event is free and open to the public. The performers include larger-than-life puppets, and **you** will be the jury.
